You may either submit a business card to us and the banner company will scan it and design the banner as close to the business card as possible. Or you can provide us with a basic sketch of how you would like your banner designed and the banner company will create it for you. If you choose to sketch your banner design yourself and it includes a logo, you must still provide a business card with the logo for scanning.

All banners and design layouts must be reviewed and approved by the Sponsorship Coordinator and League President. Payment must be made in full and clear the bank before banner production can commence.

At the end of the season your banner will be returned to you for storage or future use.
